

The Clearview

TOTAL AREA: 3,236 sq. ft.

© Linwood Homes Ltd., 2008; 2009

Linwood has been awarded the prestigious 2008 SAM (Sales and Marketing) Award by the nationally-acclaimed CHBA as the 2008 **Winner for Outstanding New Custom Home Between 2,500 and 4,000 Sq. Ft.** The winning 3,236 sq. ft. Clearview design provides a true sense of refined heritage due to its steep rooflines, premium cedar shake accents, and solid, handcrafted Douglas Fir timber bents on the exterior. This home also reflects Linwood's strong focus on green building with more than 75% of a typical Linwood home package made from renewable resources. For more information, contact your Linwood representative below.
