

# WHAT ARE THE LATEST, AWARD-WINNING LINWOOD DESIGNS & PLANS?

Linwood recently received national recognition for its Antler Trail, Loon Lake and Sebright design and home packages. In the past seven years, Linwood has been the proud recipient of 20 National SAM Award Honours.

*"Being a Finalist in the National SAM Awards is a mark of distinction," says Linwood President Bill Mascott. "To everyone's benefit, Linwood creates excellent affordable home packages, even though they are often judged against homes that cost much more to build per square foot."*
